Remarks

Desirable greenbelt location with no rear neighbors! This well-maintained 4-bedroom, 2.5-bath home offers abundant storage, including walk-in closets in three bedrooms, a kitchen pantry, and extra hall storage. Enjoy a low-maintenance backyard with a covered patio and view fencing overlooking the greenbelt. The bay-window dining area adds charm, while the downstairs half bath provides added convenience. Newer flooring and carpet throughout. Fantastic location close to parks and shopping.
